

Every Last Jew

A Teenage Boy's Story of Survival

Mark Koperweis

goff BOOKS

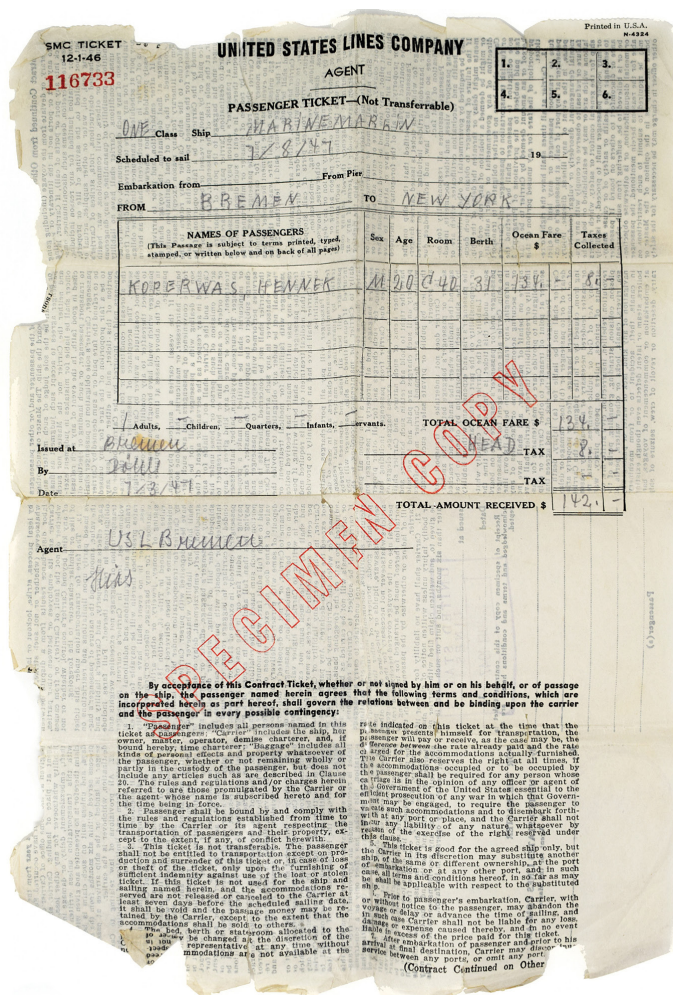

Experience firsthand what it's like to struggle for your life in one of the most diabolical and murderous events in human history—The Nazi plan to exterminate every last Jew in Europe.

Gain insights as to why the Nazis, and Hitler in particular, hated the Jews, making them the enemy of society, and labeling them Untermenschen—subhuman.

This true-to-life story shines as a beacon of hope and perseverance and serves as a backdrop-narrative that reminds us that racism and hate can lead to murderous behavior and the rapid destruction of civil society.

In *Every Last Jew*, Mark Koperweis beautifully retells his father Henry's amazing story of survival that takes you on an unthinkable journey that is up-close, personal, and in full living horror. When you emerge, you will never see the world, or your life, in the same way. It will change you, as it did Henry, forever!
